FIRE AND SAFETY COMPLIANCE FEATURES

Fire and Safety Module: in line with the HIQA Fire Safety handbook 2021

Fire Detection & Alarm Systems

Emergency Lights

Fire Doors

Fire Fighting Equipments

Fire Hydrants

Hose Reels

Gas Sniffer Kit

PAT Testing

- Define your floor plan- compartments, exit points, refuge area.
- Schedule and record your fire servicing- quarterlies, annual servicing.
- Record and monitor daily checks, weekly checks and monthly checks.
- Incident reports- fire drill reports, actual fire incident records.
- Emergency evacuation plans
- Fire elements- record of all the fire elements in your building.
- CMS App- staff can record the daily and weekly checks on the CMS app and report issues.

AUDIT MODULE

- ⚙ Audit forms
- ⚙ Schedule audits
- ⚙ Dashboard view of audit compliance
- ⚙ Monitor and evaluate audit action plans

MEETINGS

- ⚙ Meeting templates
- ⚙ Schedule meetings and add attendees straight from the CMS system.
- ⚙ Record the meeting minutes and action plans
- ⚙ Keep track of the action plans and QIP's

TRAINING MATRIX

- ⚙ Easy way of managing all the training records of staff
- ⚙ Define the mandatory and non-mandatory training requirements per department
- ⚙ Reminders for trainings due
- ⚙ Training matrix at the click of a button.
- ⚙ Upload training videos.
